## **On the Road Again**

We had a great monthly Club meeting at Carino's on South Western. Thirty-five people attended and all said they enjoyed the food and room.

We covered a lot of interesting Club information, including Club trips. You will hear more from Guy about these events in the future. Also, check out the Club Calendar on the COMC website that Jerri maintains for us with future events you may want to attend.

Jerri has our new Club website up now, so check it out. It looks great and she said there's more to come. And the pictures are coming back, too. I like the new password required to see the Club members' info. Hope you like it too. Thanks Jerri.

We also talked about our next Club meeting location. It will be at Rudy's in Norman. Looking forward to seeing all of you there.

Several of you bought the new Club t-shirt. If you missed buying one, we will have more at the next Club meeting.

Another topic we talked about was Club dues. Some still owe dues, so check your records and see if you are one that needs to visit our Treasurer, Dave Miller. If you missed the party and meeting, you can mail your dues to COMC, PO Box 12191, Oklahoma City, OK 73157-2191.

Also, just wanted to thank Guy for the great 'before the meeting' and 'after the meeting' drives.  
Steve Moore

## From the VP—Upcoming Events:

We are running shy of drives for the next few months. Anyone who has a place they would like to see or eat at, now is the time to get that drive planned! It takes everyone being involved to keep this great Club cruising!

Suzanne Butler attended our last meeting and spoke to us about the Miatas at Hallett event coming up September 8th and 9th. That is certainly something to look into. Larry and Leah Johnson also have a drive they are planning for September 16th. As soon as that is planned, I will get that information out to everyone.

We had a very nice “Neon Light Tour” after our meeting Sunday. You just never know what we might come across on some of these last-minute drives!!!! Just look what Jerri found!

*A fiery horse with the speed of light, a cloud of dust, and a hearty Hi-Ho Silver!*

*The Lone Ranger!*

***We have new Club t-shirts!!! They are available for purchase for \$17 at our monthly Club meetings. Also, Stitch and Print will print the design on a shirt of your own choosing for a modest price, if you want to take it up there to them. Below is a picture of the very cool design. As you can see, the car is comprised of a section of each new generation of Miatas.***

A note from Jerri,

As you have heard, the new website is up and running. I wish for everyone to keep in mind that it is a work in progress and will be for some time. There are lots of additions I would like to make and as time allows, I will. I will also be adding photos from 2006 forward, so keep checking in to see what gems I have added. At this point I am almost through with 2006.

As we go forward, I would love for people attending the various events to start taking pictures again, like what used to happen in the past. If you take those pics, please email them to me at [centralokmiataclub@gmail.com](mailto:centralokmiataclub@gmail.com) and I will post them to the website for all to enjoy.

I would also like to have a photograph of every member, along with their car. If you have no photo on the website, please get with someone at a meeting or at your own home, and get your photo taken so it can be added. Further, if you have NEW cars, which a lot of you do, I would like to have a photo with you and your new car. Please supply me with the year and factory color so I can add it to the website.

I understand a lot of people are trying to move to Facebook for their Club information, but keep in mind that not all things will be posted to Facebook, or vice versa. Sometimes things get left out in one place or the other. So now you have two places to look for information. We had a glitch on the website calendar the other day, and things like that might happen from time to time, as there will be things to iron out as we go along to keep things working properly. But I feel certain we will get the bugs worked through.

If there is anything in error about your information on the website, please let me know at [centralokmiataclub@gmail.com](mailto:centralokmiataclub@gmail.com). If you need the password to check your information, please also contact me and I will supply you with that.

I just want to thank Steve, Guy and Dave for doing such a great job keeping the Club running so smoothly. Without the great volunteers we have, we would not have a Club to enjoy. I would love to see our Club grow, friendships grow, and some great road trips to be planned for the future! I have very fond memories of the few long trips that I had the pleasure of attending and the friendships that I made on those trips is priceless.

Thanks,

Jerri

## Miata Shaped Name Tags

Miata shaped name tags are available from Awards Etc, 6714 NW Expressway, Oklahoma City, (405) 728-1960. You have a choice of car color and magnet or pin style backs. Specify that you are with the "Miata Club", spell your name as you want it to appear, tell them the color of your car, and the pins are generally ready in 4 to 5 business days.

## Stitch N Print, Inc.

Phone (405) 789-8862, Fax (405) 789-8879, Email

Have the Club logo embroidered on shirts, jackets, blankets, hats, and other items. You can bring articles you bought elsewhere or buy items in their store or from catalogs they have available. Specify the color of your car to put in the logo. They can probably match the thread color pretty close if you bring a color photograph of your car.

## Club Pins

With all the Miata events coming up, Club members will need a couple of extra Club pins to trade with event participants from other Clubs and states. Pins are available for \$3.50. Contact Dave Miller at (405) 948-8123.

## Magnetic Signs with Club Logo

Magnetic Club logo signs are nice to display on your car when driving to Miata events. Because the signs are custom made to closely match the color of your car, they have to be special ordered. Cost of the signs is \$20 for a set of 2. Contact Dave Miller (405) 948-8123.
